environment. Moreover, working as a Legal Counsel and assisting asylum seekers I have developed clear communication skills, empathy and sensitivity for people coming from different cultures. Finally, during my experience in disseminating IHL, I had the opportunity to strengthen the public speaking skill.

Management skills:

I have excellent management skills, which include working autonomously and in team. As a matter of fact, I can plan, organise, and carry out my tasks and duties meeting tight deadlines. During my professional and volunteering experiences I have learned to work in team and collaborate with the institutions: as a matter of fact, I have strengthened the capability of planning, decision-making, conflict management and resolution skills.

Digital skills:

I have very good digital skills, which include the command of the Office package (Word, Excel, PowerPoint), use of research databases, social networking websites, institutional e-mails, online learning tools. I can effectively conduct
